No minimum order quantities.

**Decor types**  
U = Colour  
M = Material

**FH - Fine Hammer Embossed**

The classic, which can be used in practically all areas, offers the optimum combination of resistance and easy cleanability - and is therefore one of the most popular surfaces.

For more options and further technical information about applications and our products, such as digital print (Individual-decor), Max Compact Interior with white core, and many more, as well as for further decors and our delivery programme please visit our website [www.fundermax.com](http://www.fundermax.com)

**Note:** All items are suitable for horizontal and vertical use.

**LRV** = Light Reflectance Value
